## NOW HIRING

### COMMUNITY RESEARCH LEAD

Latinos Salud is seeking qualified individuals for the full-time position of **Community Research Lead**. Salary is \$44,000 to \$57,000 depending upon experience. Candidates **must be bi-lingual** (English / Spanish). **Strong preference for gay Latino candidates** who can personally relate to the primary populations served. Working primarily from the North Miami or Miami Beach location, the person hired will:

- Liaise with the principal investigators in multiple research project activities.
- Assist in recruiting, screening potential participants to ensure eligibility.
- Assist with calls and communication with participants, including follow ups.
- Coordinate schedules for focus groups and interviews, and assist in facilitating.
- Ensure that all Human Subject Protection procedures are honored.
- Oversee data collection; input and report accurate data in a timely manner;
- Supervise and delegate project tasks as necessary to the appropriate staff;
- Serve as an overflow HIV/STD test counselor, and assist with outreach;
- Participate in other agency programs and committees that serve the community.

Latinos Salud is Florida's only gay, minority-based HIV agency. With locations in Miami-Dade and Broward County, Latinos Salud seeks to reduce the burden of communicable diseases, using a community engagement model. The agency offers generous benefits, including Platinum level health insurance, a matched retirement plan, a fitness benefit, and the potential to grow with our growing agency.

The successful candidate will (i) have a master's degree in public health, psychology, sociology, nursing, other science, statistics, or similar (bachelor's degree may be accepted); (ii) have at least two years' research or project management experience, with documented outcomes, in a professional environment that serves clients on site; and (iv) have experience working with, or volunteering in programs that serve gay men, especially gay Latinos. Candidates must also complete the Florida 500 / 501 HIV testing certification. Must have own transportation, and flexible work schedule.

Candidates must provide references, transcripts, and proof of COVID vaccination or waiver. Generic cover letters and applications will NOT be reviewed. Please send a resume and cover letter describing your skills and goals in **applying for this specific position at this specific agency with our mission and target population served**, to [jobs@latinossalud.org](mailto:jobs@latinossalud.org)
